Hi Frank, I started work on Monday the 25th. I appreciate your efforts and checking on how things are going. This has been a grind for me and the folks at DOT. I saw Sarah at the AOC Banquet in Anchorage on the 9th and I saw her at the Iron Dog Banquet here on the 16th. I talked to Sarah and Todd and it looked like he was very uncomfortable with his broken arm. How is he doing? Let us know if you have a free evening in Fairbanks - we'd like to have you up for dinner. We have ten Golden Retriever puppies in the garage - I am constantly cleaning up poop! Keep us posted and thank you again for being so helpful. Tom
