Subject: House Info.

Hello Governor,

There's an account set up for the House at El Sombrero with you, Todd and Willow (plus House staff) as signers; it will include a 15-18% gratuity. When Willow goes in she can let the wait staff know who should be included on her ticket.

We're still waiting for the tank ordered for Piper's bathroom toilet; it's a vintage 1900 replacement so it's taking longer than a normal tank. Everything else should be working, let me know if anything comes up over the weekend- I'll have my phone.

Just as a reminder- there are extra keys in the closet in the hall by my office; it's that small key box (the code is 3-2-1). Along with A&P (Foodland), Foodland Drug, Carrs/Safeway we have an account at SuperBear- our tax exempt number is 926001185.

There's extra furniture that I had them put in your office until we find what you'd like. We can easily purchase *any furniture* at Lyles Home Furnishings, Southeast Furniture or even Costco. Those are easiest since they're local, but we can buy furniture anywhere that you prefer. There's a really nice black leather set with white stitching at Lyles with a nice leather ottoman, plus a whole lot more. Let me know how you'd like for me to proceed- as it's just a matter of picking out what works best for you and the family for that room. The table on the 2nd floor was your old desk, so that's temporary unless you like it; I was given the okay to purchase a table, so if you find one or want me to find one, just let me know.

Diane will be in at 7:30am. and Susan and I at 8:00am.- no one will come upstairs until 8:00am., but we can wait until 9:00am. or whatever you prefer. There's a computer I can use downstairs and I have allot of archiving that needs to be done in the Security room; and there's always plenty for the gals to do in the Housekeeping, Pantry, Kitchen Prep rooms.

To not have this be too long- Early next week I'll let you know more about the 2nd phase of the plumbing project scheduled to begin in June.

We look forward to seeing you and the girls!! :)

Thanks,
Erika
