Hi Mr. Palin,

I wanted to touch base with you about the annual health insurance open enrollment.

Redacted

If these options are still fine for you and the Governor, there is no need to re-enroll. If you want to change any of these benefits, we need to complete the new enrollment before 5 pm next Friday, June 8. The dental and vision are two-year plans and are not eligible for change this year.

Please let me know if your current selections are ok or if you want to make changes.

I haven't had the opportunity to talk to you since you asked about the University tuition reduction program. I spoke with Mike Humphrey, the University's Director of Benefits. He advised me that the tuition waiver program does not include employees of the Governor's Office nor the Governor.

Have a good day Mr. Palin,
Linda Perez
