Hello Erika,

I was going to fly to Kotzebue this morning with com Blshop. I planned on letting you know about the trip when I returned Tuesday night. It was a last minuite invatation from com Blshop on Friday, he called me Saturday and said my flights were takebn care of.

I'm at the airport with no ticket, I've tried to contact comm Blshop but he must be traveling from Fairbanks this morning.

Would you have comm Bishops assistances number.

Thnaks todd
