Paula,

I was informed yesterday by the Bristol Bay Economic Development Corporation that Andy Ruby, council member for District 4, passed away in late November. He died at home of a sudden heart attack. He was 48 years old. He is survived by his wife Sassa and 3 children.

I was wondering if it would be possible for the Governor's Office to send a letter of condolence to his family in appreciation of Andy's work for Alaska's commercial fishermen.

Also, we will have to start looking for a replacement for Andy. If you want, I can contact Robin Samuelson @ BBEDC to see if they can come up with some recommendations.

Mike
