Yes.

Janice, this would just take a simple call to our

IT folks and then Andy and Jason could post it to the website, correct?

Janice,

Can we set up some sort of on line book so other Alaskans can read these amazing emails from all across the country.

MESSAGE:

I Just wanted to say Congratulations! to the Palin family on their new

arrival. I am glad to hear that she made it up to Alaska safely for the delivery. Will there be any sort of online book that Alaskans can digitally sign or a place that we can send cards to? Our family is sending our prayers her way and continuing to think fond thoughts. Thank You!
