MESSAGE:

congratulations on the birth of your son...as the parent of three special needs children, i encourage you to find support groups for yourself, your husband, and all of your children, to help everyone adjust to the life changes that you all will have as you learn to take care of and love a special baby...i know what it is like to be super mom, but it helps to have friends who really have walked in your shoes on these kinds of issues...best of luck to you all...kim capenos and my girls
