Hello,

Before I have the tickets printed, I wanted to double check with you on a few questions. Should I put my cell phone number in case anyone has any questions? If I put the 465-3500 then I'd need to add something like *contact House Manager* or my name- with my cell phone number I can just list the number and no title or no name. Copy Express added the team logos...is that okay- I just submitted *clip art* with a helmet.

Thanks,
Erika
