Hi Nancy,

Todd asked that I follow-up with you on your request. Unfortunately the Governor will not be in town on that date. We're happy to provide a letter. Please let me know if that will work along with the particulars.

Thanks,

Hi Todd,

I know this is late notice, but would you & Sarah be able to attend my 22nd & final pageant Saturday night in Anchorage? I don't know how to contact Sarah. Would it be possible for Sarah to say a few words on my behalf or present something in writing? Thank you for your consideration. Please let me know if you receive this message. Thank you, Nancy Postishek
