### MESSAGE:

Governor Palin,

Congratulations on your new baby. What a blessing he will be to your family. Eight months ago I delivered my forth child, at birth he was diagnosed with Down Syndrome. I did not have the advantage of having early tests, but now realize what a special child I have been given. Throughout the trials that might arise, keep in mind you have been chosen to be Trig's mom for a reason. God knows what you are capable of and that is why you were given Trig as YOUR gift. I have come to realize that my Kempton is a gift to me, to keep and care for. He has already taught me so much. Congratulations again and may you have all the love and support you deserve from friends and family.

From one mother to another,

Jessica Beagley
