MESSAGE:

THANK YOU GOVERNOR PALIN.

Dear Governor. I want to send our sincere thanks for spending time with us on Saturday May 3rd and for signing the Purple Heart Trail Bill.

Seeing you in both your role as our Governor and as a Mother with two of her children present made everything extra special. Piper was smiling from the time she walked in the door to the time you left. That was indeed a Kodak moment for all of us and everyone simply loved that warm addition to our honored event. The way that Piper was taking care of and holding her little brother was simply very sweet and it received fantastic comments from all who were with us. Your actions prove that children who are loved have constant angels and those Angels are called MOMS.

Your words during the signing event were kind and honorable, and just having you with us meant a lot to us.

Once again, we sincerely thank you for taking care of and caring about Alaska's combat wounded veterans.

We do have one more favor to ask. We hope you will approve the budget amount that will be used to upgrade the Veterans Memorial on the Park Strip in Anchorage. Many veterans are encouraged that you will also help to get that done.

But once again concerning Saturday, THANK YOU-THANK YOU-THANK YOU.

Ron Siebels

MOPH, Commander, Dept of Alaska
