Todd,

Becky Weimer (DOL) sent this, it's for you, the Governor and the Lt. Governor. Janice will let me know what the Governor decides. I can send you more information if you're interested.

The Governor's Safety Conference request from Grey Mitchell:

To welcome participants and present awards during the luncheon ceremony scheduled on March 21, 2008 from 12:00 to 1:00 pm. They are expecting up to 250 participants.

They noted that it's a great opportunity to address a significant group of Alaskans dedicated to improving workplace safety and health in Alaska.

Let me know if you're interested.
