Hi from George and Cassandra Sikat

When your two years old you don't care if it's raining outside.
That you could catch a cold or worse pneumonia.
That no one else is out there to play with you.

Yesterday Georgie showed me how to be a kid again, how to play in the mud.
We had a blast splashing in the puddles, catching a rain drop on our tongue
and just walking in the rain. and yes, we were singing.

I love being a Daddy!
