I think Track is leaving the state that weekend and I'm not sure he would be interested.

Subject: Letter of Recommendation Request

Todd — We received this email asking for a letter of recommendation from the Governor. Do you or the Governor know him?

Also, did you find out from Track regarding the ANC Glacier Pilots' Military Appreciation Evening on Sat., 06.28.08 or if we are going to regret. Thanks, Janice

Message: Dear Governor Palin:

I am currently applying to the Naval Academy for next fall.

Knowing me through High School Sports, and living in the Valley I was hoping you would consider writing a letter of recommendation on my behalf. The Blue and Gold Office I am working with suggested a letter to Rep Don Young and/or a letter to include in my application file.

If you would like to meet with me I am available, and I do have a resume of my High School accomplishments available.

Thank you for your consideration,

Bradley Truax
