MESSAGE:

Congratulations on your new baby boy! My family (5 kids also) will be thinking of you and praying for your son's health and happiness.

My friend, Judy Waldron, has a wonderful daughter, Lyn, age 19, who has Down's syndrome. Judy has been involved with the Alaska chapter of the National Down's Syndrome Society for many years. I have always admired Judy's strength and courage. She has been an inspiration to me.

I admire your strength and courage also. I know that your strength will carry you and your baby through some of the challenges that you and your family will face.

God bless,

Sincerely,

Becky Thario
