### MESSAGE:

Mrs. Palin and family:

We learned of the birth of your son Trig Paxson Van Palin in the Seattle Times today. We want to let you know we are praying for you and your family.

When I read that you knew through early testing that Trig would face special challenges, I was prompted to pray.

Our son Gabriel just celebrated his 18th birthday on April 13th. He was also born with special challenges. He is missing the radius and ulna bones in both arms and his legs are each bent with the bones fused at the knee. He has been the delight of our life.

We want to encourage you to let us know if your family needs anything. We recently established a non-profit organization called Gabriel's Foundation of HOPE. We created this organization so we could encourage families dealing with disabilities to overcome the obstacles they face. If you need anything let us know.

Our website is currently under construction but when you get a chance check out GabesHope.org

May the God of Peace fill you with all HOPE as you trust in Him. Romans 15:13

Bless your heart today

Steve, Gigi, Zane and Gabe Murfitt
