Subject: Re: Update from the House

Hi Todd,

Your welcome. Just let me know when you decide what your travel plans are. I will not be at the House on Monday (State Holiday), but call me on my cell or my home phone if something comes up. No shoes & phone yet, so probably later today.

Enjoy your weekend!
Erika

Erika,

I Goldstreaked a pair of Bristol's shoes and a cell phone yesterday, they should be there today, if not last night.

Thank you so much for helping my family. If you need to get in touch with me please call my cell.

Todd

Hello Todd,

Just a quick update!

We ordered Bristol's shoes yesterday from the Footlocker and they were

only \$79.99, they didn't charge for shipping & handling or tax, so that was a good deal! She said that she had a pair she could get by with until the new ones arrived. I tried to find that piece that the news channel did when the family arrived to the House, but couldn't find it. I found a list of different stories that involved the Governor and some of them had video clips... If you have a minute, would you mind emailing me the on-line information on how to find it? I know you're busy, so no problem if you don't get to it.

Just as an FYI- in your office there is a safe in the closet and the combination is in the top drawer of your desk. You can put that comb. anywhere you want to, I have a copy taped to the side of my desk in my office just in case you misplace yours.

Please feel free to contact me if there's anything you need me to take care of. I can't stress enough that I /really do enjoy/ helping out with the kids when you and the Governor need me to. For someone who had 4 kids herself (and really wanted 6!) and taught junior high (and loved it!) and knows what it's like to work full-time I really don't mind,

*especially *while you're transitioning your family
to Juneau and
figuring out the logistics of everyday life. I
sound like a broken record!

Let me know when you figure out your travel plans
and if you have any
traveling preferences (window, aisle seats...) and
I'll take care of
getting your tickets. I have a TA for you from this
last trip that I'll
put on your desk for you to sign. I have the
Governor's mileage number,
but if you could send me yours and the kid's then we
can make sure that
your accounts are credited with the travel mileage.
I took Bristol to
get her physical yesterday, and I was thinking it
might be a good idea
for you to give me information for your family so
that if you and the
Governor are busy and don't have access to it, I'd
have back-up copies
of their SSN, Insurance Group numbers, etc.... Just
a thought, but it
might be helpful to have a /family information/ file
just in case it's
needed over the next four years (or eight).

Have a good day, and have fun training!

Thanks,
Erika
