Subject: RE: Visit Marine Exchange of AK's Vessel Tracking Operations Center

Importance: High

I just contacted Ed Page, Exec. Director of Marine Exchange and he is going to be out of town and is very hard to get a hold of (per his staff). They suggest that this be set up by the number two guy - Bret Farrell at 463-2607. Thanks, Janice

Please find attached the request for the Governor to visit the Marine Exchange of Alaska's Vessel Tracking Operations Center. Todd would like to do this with Mike Nizich. I know Todd will be in JNU this upcoming week so maybe in can be set up anytime from Mon. through Fri. 03.10-14.08.

I will call them directly to let them know they will be hearing from a staff member on setting this up as the Governor will not be available due to schedule. Thanks, Janice
