Sounds like a plan.

I'm on my way to the campground but I can start looking tomorrow night. Take a peak at [www.paradisevillage.com](http://www.paradisevillage.com). Its a little pricey but neen and I have been going since they built it. Excellent resort on the tip of its own penninsula in puerto vallarta. The piece I need to check is weather for mexico vs hawaii in august, but paradise village is 5 star if weather is nice. I'm sure I can get a deal wherever u go, and hopefully use companiom tkts to get the price down.

So....no idea on price for reds?

Hey Frank

Sarah said the kids will not go to Michigan this time.

I'm looking for tickets to Hawaii or Mexico around  
August 17 to August 26 for a family trip.

Any suggestions on hotels or flights.

Thanks Todd
