Greetings:

Hope the first family is enjoying Juneau. In any case, here's something to give you a chuckle. A duo called "Oil and Water" performed a song at the Anchorage Folk Festival this Saturday called "Governor's a Babe."

Here's what the program said: OIL and WATER. Sarcastic Alaskan folk. The best diesel mechanic on the slope and a boat builder from Prince of Wales come to Anchorage to sing and meet women at the Contra. Mark Jaqua and Steve Petritus.

Enjoy....

P.S. I am forwarding this to Kris to give her a smile too.
