Governor Palin ~

This is a reminder from the Benefits Section to let you know that, to date, we have not received the dependent verification documents for your new child.

To ensure continued coverage for your newborn, please submit a copy of the child's Birth Certificate to us within 60 days of the date of birth. Claims submitted for your dependent child after this time period will be pended until this documentation has been received by the Benefits Section.

If you have any questions or need assistance with this process, please contact our office. We would be happy to help.

Thank you!
