Todd, our son, Jason, is deployed in Iraq as a Marine MP Kennel Master with bomb sniffing dogs. I recently purchased the book "Sarah" and would like to have your wife sign it before I send it to him.

Next time you guys are in the valley or even in Big Lake I would be happy to bring it over to have her sign it if it is not too much trouble.

Martin Buser already sent a bunch of stuff to him and his men and I would like to keep some Alaska stuff going over.

Thanks,

Bill and Maggie O'Hara
