Todd - I thought you maybe know this constituent. They are asking if they can come over and have the "Sarah" booked signed for their parents. Thanks, Janice

MESSAGE:

Hey Sarah,

I know you are so darned busy and am never really sure where to reach you. I thought by going through here I could get this e-mail to you quicker. I have a request of you, which I am always embarrassed to ask anything of you. I know sure a lot of people ask alot of you and I hate to be one of those people. The only sane reasoning I can offer is that this is really for my parents. I bought them your book the other day and was wondering WHEN you get some time if I could scoot it over to you (of course when you are back in town) and have you sign it for them. They would be ecstatic. Again I apologize for being so forward.

God Bless you and yours Sarah.

Smiles and hugs,

Julia :0-)
