Subject: FW: Request for Appt.- Wayne Stevens, President/CEO AK State Chamber of Commerce

Hello Todd,

Wayne Stevens, President/CEO AK State Chamber of Commerce would like to meet with you to discuss Workforce Development issues. His original email/request is copied below. Shane mentioned that you'd be returning to Jnu. on Wednesday, 5/2 on the King Air. Would you like to have me schedule an appointment for later that week? I've responded to his request, so there's no rush to schedule an appointment. I didn't mean to sound **so formal**, by referring to you as the First Gentleman instead of Mr. Palin. ☺

Willow and I were talking about AGIA's extra claw, let me know if you want me to schedule an appt. at the vet.

Thank you,
Erika

4/27 Copy of Wayne Stevens response:

Ms. Fagerstrom,
Thank you ever so much for the assistance.
Wasn't sure of the process and protocol.
Regards,
Wayne

Subject: Protocol question

Ms. Spencer,
I dropped by unannounced this afternoon at the recommendation of Lt. Governor Parnell.
We were visiting and he suggested that I stop by your office to ask for the appropriate manner and methodology to reach Mr. Palin.
We were discussing Education and Workforce Development issues and Lt. Gov. Parnell indicated that this was an issue Mr. Palin was going to be working on.
Workforce development is a high priority of the Alaska State Chamber and I would like the opportunity to meet with Mr. Palin to discuss the issue and how we might collaborate.
Any guidance or information you can provide on how best to reach him is appreciated.
Regards,
Wayne
