Re: Dillon response

Sharon,

FYI.

When I spoke with Harris I didn't mention Bitneys name at all Bitney is a master at having other people do his dirty work, his co-workers. For Dillon to say that I have great influence (I don't) would only come from Bitney.

Do you remember what happened right after I'll called Harris, Bitney wrote a letter to the editor for Harris supporting me going back to work.

Thanks Todd
