Janice,

I apologize for not letting you know sooner; since the mid east return changed to 3pm, Gary made a reservation for the Governor to return to Anchorage from DC Thursday evening. I only know that she will depart at 5:30pm and arrive mid-evening on thurs. I've copied Gary for details.

Under separate email I will include you in the regrets list that I have updated for the Governor through July. Please let me know if there is anything that I can do to make this process go more smoothly for all involved and I will keep you up to date on scheduling, regretting, etc. We have lots of invitations per day coming in. The ones that you see right now are the ones that are actually confirmed on the

calendar. I do have a report that can be run that shows all incoming requests if you would like to see that. It usually runs 18-25 pages per month. Thanks, Janice
